

Lit set in Christ

St Chad's Newsletter

13th September 2019

"At St. Chad's, we grow in the light of Christ, to share his love and reflect the gospel values."

Our first full week is over and I am very pleased to report that we've had another productive week. As you're aware, we are having a big drive on punctuality and I know that the vast majority of children are on time. However, we have a hard core of parents who are continually bringing their children in late. Over the next week, Mrs Azadeh, Mrs Parker and Mr Tehan will be inviting parents in, to discuss ways in which we can support you, to ensure your children are 'on time at ten to nine'. On the back of this letter is information about absence; these figures will include children who arrive more than ten minutes late for school as this gets recorded as missing the whole morning. One of the best ways to ensure your child is not late is to join us at breakfast club - it's totally free and great fun!!

We have launched a brand new curriculum this year so I'd encourage you to look at our website for more details. Under the 'curriculum' section, you'll see that we have divided the year into distinct 'teaching blocks'. The one we're in now is Science. If you click on 'Science,' you'll see a knowledge organiser for each year group. Please do speak to your child about it and even help them do extra research at home. The next teaching block is History, so look out for those knowledge organisers coming soon!
