

Lux est in Christo

St Chad's Newsletter

27th November 2020

"At St. Chad's, we grow in the light of Christ, to share his love and reflect the gospel values."

As we prepare to enter the season of Advent, we await the joyful celebration of the birth of the Servant King. We pray with eager anticipation and renewed expectation for the coming of Jesus the King into our lives.

Lord, may my prayer be joyful, hopeful and expectant, filled with a longing for your presence and hope for your coming, 'Come Lord Jesus, Come.'

On Monday 30th November, as we enter week one of advent, the children we will listen to Fr Tim in an assembly in the morning. Then in the afternoon a virtual retreat with Dan Callow and Emily Clark who will lead us in prayers and in songs. The theme of the afternoon is, 'I am Unique. I am Special'.

Remote Learning

We have been very blessed that we have, as of yet, not had to send a class home to isolate due to a positive COVID test as many schools have had to. All staff and children have worked very hard in school to ensure they are following guidelines for schools. Let's pray that we get to Christmas without anyone having to isolate!

I will be putting information on Class Dojo to inform you of what will happen if a class/bubble has to isolate. The staff are ready and prepared to deliver work from their homes. The work will be set daily and the expectation is that children work for 3 hours every day. This amount of time has been set by the Department of Education. At the beginning of the isolation, teachers will set a timetable for that week. Teachers will be contactable between the hours of 8:30am – 4:30pm through Dojo to support yourselves and the children. For more detailed information, please read the information on Dojo.
